Test Code

### Test Case 1 - Passed!

#### Standard Input

1

#### Files in the same directory

- main.cpp

#### Required Output

```
Enter test number:   
1. Default  
numeric: 1/1/2000  
alpha: January 1, 2000  
-----
```

#### Your Program's Output

```
Enter test number:   
1. Default  
numeric: 1/1/2000  
alpha: January 1, 2000  
-----
```

### Test Case 2 - Passed!

#### Standard Input

2

#### Files in the same directory

- main.cpp

#### Required Output

```
Enter test number:   
2. Numeric date 7.3.1991  
numeric: 7/3/1991  
alpha: July 3, 1991  
-----
```

#### Your Program's Output

```
Enter test number:   
2. Numeric date 7.3.1991  
numeric: 7/3/1991  
alpha: July 3, 1991  
-----
```

### Test Case 3 - Passed!

#### Standard Input

3

#### Files in the same directory

- main.cpp

#### Required Output

#### Your Program's Output
